10 July 2012

Dear Parents

The footbridge to Well Plot playing field has been washed away. We've looked at the possibility of walking the whole school plus equipment 650m along a difficult road to compete on a wet field with a dodgy forecast looming – it's just not sensible. There's no other feasible village venue so the choice is to use the school playground or cancel.

Some of our older children have enjoyed plenty of exciting sports events but the younger ones haven't and it's disappointing to do nothing. I therefore plan to stage it on the school playground, same time (10:00), same Olympic Torch arrangements afterwards. The format will be altered as it's a hard surface with different safety considerations, but it'll still be fun!

If it's raining on Thurs or we have lots of puddles, I'll put a notice on the gate. If in doubt about what's happening, please phone school to check.

Yours sincerely

Mike Kite
