

Bothen Hill Produce

**7 Green Lane
Bothenhampton
BRIDPORT
DT6 4ED**

3 October 2011

We offer parents and friends of Loders School the opportunity to purchase our organic vegetable boxes on a weekly basis and at the same time help the School.

We are a family-run organic business, based in Bridport, and supply a large range of vegetables locally through a box scheme, farmers' markets and farm gate sales. In support of the healthy eating initiative, we offer everyone connected with the school the opportunity to purchase a weekly box which we deliver on Fridays. Each box will contain staple vegetables, ie potatoes, carrots and onions, together with a selection of other seasonal vegetables, all grown by us and thus ensuring freshness and lessening of food miles. Boxes will cost £7 for a small, £11 for a medium and £16 for a large and for each box sold 50p will be donated to the School Funds. Payment terms are cash on delivery please.

If you would like to participate in the scheme we ask that you kindly complete the attached form and return it to the school. Boxes will be delivered every Friday **unless you advise us otherwise**. If you wish to cancel your box, please advise us direct, either by phone or e-mail, and **NOT** via the school. We will let you know delivery arrangements as soon as possible.

We hope that you will be able to support both the School and this local food initiative.
