Thank you to Tina Cornish for making all the arrangements.

Sadly, the weather has caused many interruptions in **kwik cricket** and **tennis**. Let's hope we'll get some dry days so that future events can go ahead.

Des informs me that the **Real Tennis** tournament at The Hyde Court is on **Saturday, June 30 – 2-5pm** and by now he will have contacted you all. In the meantime I understand anyone wishing to book a game can make contact with Ben at The Hyde on 420777.

Congratulations to **ROSIE HART** for coming first in a recent **ARCHERY** competition in Salisbury, **OLIVIA WILLMORE** came third – the girls are making great improvement and Paul Kingston (Bride Valley Archers) is delighted with their progress. Anna Willmore will contact LYPs archers once she has dates for sessions at Stepps Farm.

ORIENTEERING with Mike and Mary Kite is postponed at the moment – some of the parkland and gardens at Loders Court are being used for grazing Lady Hood's horses. If we can make alternative arrangements, we'll let you know.

GREAT NEWS – we hear that LYPs members India, Thaisen, Rosie and Olivia will be part of a group of locals accompanying the **Olympic torch** bearer through Bridport when the parade comes to town on Thursday, July 12. What a fantastic opportunity!

In celebration of the **Olympics**, Dorset Youth Association has a special exhibition entitled **'Hiking to hotpants, tents to twister, a celebration of youth clubs in Dorset'** in the Dorset County Museum, Dorchester from **July 14 to October 20**. You'll be able to see part of the LYPs story there. See if you can recognise anyone.

Again, on the Olympic theme, Tina at Youth Club has asked if any LYPs members (tennis players, archers, real tennis players, cricketers, swimmers) would like to take part in the Bridport carnival float procession this year, dressed in their sporting gear. Please contact Lesley Lee on 420767 as soon as possible if you'd like to take part.

The club/school link with Loders Primary has seen us subsidise tennis coaching in the school and sponsor new equipment, such as netballs, netball tabards and sponge javelins. We are delighted to **sponsor** the school this year with **new athletics vests** with the 'Loders' name on them. These tops will be available to any athletes representing the school. The vests will be held at school for current and future athletics events. We wish the children the very best in forthcoming competitions and understand that vital training at Well Plot on Saturday mornings with Anna Willmore is going tremendously well.
